- > *The urge passed me.*
- > *I gave them explicit orders not to attack.*
- > *Seren, prepare your strongest spell.*
- > *You did well distracting her, Lili.*
- > *Do you think my offer was impractical?*
- > *I plan to rally this land's people around me.*
- > *You can leave the body. We don't need spare change.*
- > *Be quiet, or I will punish you both.*
- > *Protect the village... for a price.*
- > *No, because I need you to help Lili with something.*
- > *What about these priestesses you mentioned?*
- > *Allow her to surrender.*
- > *Only half free. There are still the shackles.*
- > *No matter. I wasn't too hopeful about this, anyway.*
- > *But it is the princess's choice, dear Rin.*
- > *Lean back.*
- > *Jump over it.*
- > *Dodge and circle around.*
- > *Duck under the punch.*
- > *Humiliation and enslavement.*
- > *Let the orcs drag the villager away.*
- > *Soon I'll be collecting tribute from far and wide.*
- > *I don't mind a few casualties.*
- > *You should try to understand the princess's feelings.*
- > *This good to hear. My confidence grows.*

- > *Seren, could you go see if there's anything to eat?*
- > *I just got there. Did something happen?*
- > *Would you be my bride, princess Elanor?*
- > *Rin, you can watch Elanor's friend while we...*
- > *Do you want the princess to die?*
- > *Are those *loopholes*?*
- > *Follow Lili and Seren.*
- > *The spell won't let you harm yourself. Remember?*
- > *I'd prefer not dreaming about you, either.*
- > *No, not if I can help it.*
- > *I am a vision of your fate. Submit to the Dark Lord!*
- > *Well, in a manner of speaking...*
- > *Encourage Lili to make a move.*
- > *Really? What was it supposed to do?*
- > *I think you two would make a beautiful couple.*
- > *It serves me better to have you here, Lili.*
- > *You needn't leave just yet. You may still be useful.*
- > *I trust Rin to bring me home.*
- > *Is that it? I expected something more ingenious.*
- > *Dispatch her promptly, Seren.*
- > *Kick and try to sweep Ancalia's legs.*
- > *You can't defy her? What hold does she have over you?*
- > *What are you going to do to my servants?*
- > *Hmph... Fine. I'll keep that in mind.*
- > *I do not care about your petty dogmas.*
- > *Say nothing and ignore it.*
- > *Bow to the Matriarch as she commands.*
