1 Game of Gnomes

Winter is here and Christmas is coming!

However, the naughty gnomes from the garden have made off with the children's presents and hidden them in the snow.

You play 'Little Ned' the Richie Rails garden scale train that takes it upon itself to gather back the toys before the Children awake.

Getting Started:

LAUNCH Train Simulator

CLICK on the Collection button

LOCATE Game of Gnomes

CLICK the train icon at the bottom

CHOOSE which scenario to complete

CLICK the start button

It is also possible to explore A Game of Gnomes by using the Quick Drive menu.

2.1 Richie Rails

Richie Rails is a toy manufacturer and retailer that has done business since 1999. Founded as a novelties company, Richie Rails has specialised in toy and model railroad products since its inception, and attention to detail, fun and exciting product range over the years has contributed to its fame. Drawing inspiration from railroads around the world, Richie Rails continues to focus on high quality exciting toys for all ages of train fans.

Richie Rails remains an enduring brand associated with toy trains, its products prized by collectors.

3 Scenarios

3.1 A Game of Gnomes

Those naughty gnomes have made off with the children's presents, chase them down and try to gather the presents.

3.2 A Consist of Wagons

Collect the wagons so that your friends can help you track down the presents beyond the wall.

3.3 A Clash of Toys

Drop the wagons off carrying your friends around the garden so they can hunt for the missing presents.

3.4 A Storm of Snow

Your friends have found the presents, gather up the wagons but watch out for the hail of snow!

3.5 A Race of Fast and Slows

With all the wagons collected it is now a race back to the house to put the presents back before the children find them missing.

3.6 A Song of Christmas Choir

With all the children's presents returned it is time to deliver some good will of your own to those naughty gnomes.
