# Looting Jet Supplies

## A Driver Mode

Whenever you hear Jet's approaching, you should be aware to get out of the car (RB) and search the loot.

### Arizona Derby is all, but no ordinary

racing, as you have ability to **loot** dropped supplies.

You can risk and get more **XP** and **ADS** and, since time for other cars is in period when you out, is slowed, still back to car and WIN.

### A Driver Controls

Run

Enter Car

Jump

Roll

Orbit

Move

You have **limited** times outside, as long, amount of the times you can get out of the cars is limited, so utilize **this wisely**

You can enter and exit car on **RB** button.

You can run, while you are < outside and you need to get back to car before timer **tick out**, or you'll stay without the loot and car will be respawnd at previous checkpoint.

**A Drone Mode** is meant to be used for evacuating the **harshest situations**, like when another car stuck at you, or you stuck at some obstacle

## Rule of Ride

AI opponents are highly skilled, and they work in team against you. Some of them will try to obstruct your way.

Races will be **intense**, hard and unpredictable. You'll need to ride over unexplored terrains, beating **highly skilled** competition.

You can boost your ride with **Nitro**

Take care at which **angle** and **speed** you are going over jumps. This may be your friend or your enemy.

# Main Objectives

Win one of 3 top place, collect XP, don't miss checkpoint, loot as more as you can

Beat the **Bosses** and **Gangs** play on new levels and tracks around the globe.

Your rig is equipped with **ultimate mechanics** that can pass any obstacles, it is ready for sand, mud, snow, heavy rains and waters, use it wisely to win more.

Welcome to the **Off-roads** Dirtier style will bring you extra XP and AD\$ to buy and unlock numerous items

Collect tons of **XP** doing outlandish stunts while racing

Crash and evade other cars, show them who's **real boss**

Make as many **Big Jumps** as you can!

In order to win race, go through each of **Checkpoints** and win one of the 3 top positions

Use **Nitro** and refill it often with remarkable stunts

Show off **cutting-edge** spoilers pimp up your rims, spring colors and put all latest tire styles and unlock over 90 supercars to drive on

Customize and upgrade your ride
